REMARKS***Status of the Application:***

Claims 1-19 are the claims of record of the application. No office action on the merits has yet been received.

Amendment to the Abstract

Applicant has amended the abstract to correct a typographical error. No new matter is being added.

Amendment to the Claims:

Applicant has amended the claims to correct some typographical errors. In addition, claims 20-25 have been added.

Enablement for claims 20, 23, 24 and 25 is, for example, in paragraph [0016] of the specification, which describes a system having more than one sensor.

Enablement for claims 21 and 22 is, for example, in paragraph [0039] of the specification, which describes using a pointing device on an area actually marked on or not by the pointing device.

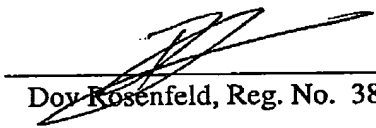

Conclusion

Claims 1-25 are the claims of record of the application after this preliminary amendment. Examination thereof is respectfully requested.

If the Examiner has any questions or comments that would advance the prosecution and allowance of this application, an email message to the undersigned at dov@inventek.com, or a telephone call to the undersigned at +1-510-547-3378 is requested.

Respectfully Submitted,
